

# PROTECTING AND SUPPORTING OUR MEMBERS AND CLIENTS

A large-scale awareness campaign is underway to provide members, employers and financial advisers with the latest information and guidance on how to prevent and contain potential infection. The COVID-19 information hub is located on the Discovery website and dedicated to providing the latest news, updates and information available.

## MEMBER INFORMATION HUB

- Regular information updates
- Global infection rates
- Prevention measures
- Testing and treatment protocols
- Quarantine and self-isolation practices
- Social distancing protocol
- Daily travel advisory

## HEALTHCARE PROFESSIONALS INFORMATION HUB

- Regular information updates
- Updated clinical guidelines
- Testing and treatment protocols
- Patient-friendly tools and communications

## EMPLOYER TOOLKIT

- Relevant information on how to protect employees including informational emails, infographics and posters
- Employer preparedness plan guide
- Employee travel advisories

## COMMUNICATION, AWARENESS AND INFORMATION UPDATES

To keep all stakeholders informed of the latest news, Discovery issues regular communication including:

- Press releases
- Newsletters
- Informative articles
- Social media updates
